---

*Be it enacted by the General Assembly of the state of Missouri, as follows:*

Section A. Section 620.467, RSMo, is repealed and one new section enacted in lieu thereof, to be known as section 620.467, to read as follows:

620.467. 1. The state treasurer shall annually deposit an amount prescribed in this section out of the general revenue fund pursuant to section 144.700, in a fund hereby created in the state treasury, to be known as the "Division of Tourism Supplemental Revenue Fund". The state treasurer shall administer the fund, and the moneys in such fund, except the appropriate percentage of any refund made of taxes collected under the provisions of chapter 144, shall be used solely by the division of tourism of the department of economic development to carry out the duties and functions of the division as prescribed by law. Moneys deposited in the division of tourism supplemental revenue fund shall be in addition to a budget base in each fiscal year. For fiscal year 1994, such budget base shall be six million two hundred thousand dollars, and in each succeeding fiscal year the budget base shall be the prior fiscal year's general revenue base plus any additional appropriations made to the division of tourism, including one hundred percent of the prior fiscal year's deposits made to the division of tourism supplemental revenue fund pursuant to this section. The general revenue base shall decrease by ten percent in each fiscal year following fiscal year 1994. Notwithstanding the provisions of section 33.080 to the contrary, moneys in the division of tourism supplemental revenue fund at the end of any biennium shall not be deposited to the credit of the general revenue fund.
